To Whom It May Concern,

I, Becky L. Levzow, am submitting my notice to resign the position on the Wisconsin Technical College Systems Board representing Agriculture effective December 31, 2022.

It has been an honor and privilege to serve in this capacity. As a board member and in leadership positions, I feel, I have elevated the awareness and opportunities for the agriculture sectors of Wisconsin. I am proud of the efforts I and other board members have put forth for the betterment of the citizens and workforce needs of Wisconsin.

I will continue sharing the positive affects Wisconsin Technical Colleges have enhancing lives and making dreams come true. May the colleges have continued future successes educating the citizens of Wisconsin.

Regards,

  
Becky L. Levzow
