## **Rep. Plumer Statement on Governor’s Budget Address**

**MADISON, WI** – Rep. Jon Plumer released the following statement after Governor Evers’ Budget Address at the Capitol this evening:

“Unfortunately, we saw more of the same from Governor Evers this evening as he introduced his proposed state budget. Higher taxes, massive unsustainable spending increases, and liberal wish-list policies that are dead on arrival. Instead of accepting our offer to work together on issues we agree upon, Governor Evers continued his go-it-alone policy and introduced a bloated fiscally irresponsible budget this evening.

Thanks to more than a decade of responsible Republican budgets, Wisconsin currently enjoys a significant surplus. We will continue efforts to make significant and transformational tax reform, return tax dollars to Wisconsinites, and fund programs that work. I look forward to beginning work on our 2023-25 state budget in the Legislature and hearing from constituents on their priorities.”

Rep. Plumer represents the 42<sup>nd</sup> Assembly District which encompasses Columbia, Dodge, Fond du Lac, Green Lake, and Marquette counties.
