PRESS RELEASE

2023 GWBA Champions

With a 104-97 over the Flint Monarchs on Sunday August 6th, the Wisconsin GLO are your 2023 GWBA Champions! This is the GLO's third Championship in the league winning in 2019 and 2021. They finished the 2023 regular season 6-2, coming into the playoffs behind the undefeated Flint Monarchs. After winning their playoff game on Saturday against the St. Louis Surge, the GLO knew it was going to be a battle on Sunday with the Monarchs.

All-GWBA Team, GWBA MVP Finalist, and Playoff MVP Taylor Wurtz-Purifoy was the GLO's leading scorer on Sunday with 26 points. Taylor also led the team in rebounds with 9. UWGB Alumna Laken James was a GWBA Defensive Player of the Year Finalist and was the GLO's second highest scorer on Sunday with 19 points.

Coach Patrick Doherty was a GWBA Coach of the Year Finalist in his first year with the Wisconsin GLO and helped lead the team to their third Championship alongside Assistant Coach Preston Purifoy! Coach Doherty and Assistant Coach Purifoy had a huge impact on the team, staff, and fans this season. The GLO is very thankful for all of their hard work and dedication to the program.

To our fans, THANK YOU. We appreciate every single one of you for supporting us this season. Moving forward into 2024, we hope this Championship fuels the program here in Oshkosh and continues to leave an impact and inspire female athletes.
