

# WISCONSIN LEGISLATIVE REFERENCE BUREAU

## MEMORANDUM

**TO:** Majority Leader Devin LeMahieu  
**FROM:** Richard Loeza, senior legislative analyst  
**DATE:** February 12, 2024  
**SUBJECT:** Evers *Clarke* submission and Senate Substitute Amendment 1 to Senate Bill 488

You requested a comparison of Governor Evers' map submission in *Clarke v. Wisconsin Elections Commission* and Senate Substitute Amendment 1 to Senate Bill 488.

The two map proposals are identical in all respects.

No people or land are in different assembly or senate districts in SSA1 to SB 488 as compared to the Evers map proposal. The two map proposals have identical split municipalities and counties, senate disenfranchisements, compactness scores, paired incumbents, and district populations.

We hope you find this information useful. Please let us know if you have any questions or if we can provide any additional assistance.
