

FOR IMMEDIATE RELEASE

Union Grove, WI – March 10, 2024

**Recall Effort Against Robin Vos Gathers Momentum  
with Significant Signature Collection**

The Recall Vos campaign is set to present a substantial collection of signatures to the Wisconsin Election Commission (WEC) on Monday, March 11, at 11:30 AM. This decisive move signifies the culmination of efforts by Racine County residents to initiate a recall of Wisconsin Assembly Speaker Robin Vos.

Organizers have announced a press meeting scheduled for 10:30 AM in front of the WEC offices, prior to the submission of the signatures. This event marks a significant

phase in the campaign, highlighting the community's drive for change in leadership.

Matt Snorek, the initiator of the recall campaign, reports that over 1,300 petition sheets, translating to more than 10,000 signatures, have been collected. This impressive tally underscores the community's desire for new representation. Snorek stated, "The people of Racine County have spoken. With more than 10,000 signatures on our recall petition, they've said it loud and clear: they're tired of the status quo and demand new representation." He further explained that the catalyst for the petition was election security issues; however, signatories have voiced a multitude of reasons for their support of the recall and their desire to see Robin Vos removed from office.

The campaign's headquarters, located at 4350 67th Dr., Union Grove, WI 53182, will remain open until 8 PM on Sunday, March 10, the final day for signature collection. This extended opportunity allows for further community involvement in expressing disapproval of Robin Vos's tenure.
