**FORWARD LATINO APPLAUDS PRESIDENT BIDEN ON
STATE OF THE UNION ADDRESS PRIORITIES**

Franklin, WI – Forward Latino, a national non-profit, non-partisan service and advocacy organization, applauds President Joe Biden’s commitment to democracy, creating pathways into the middle-class and for efforts to reform our nation’s broken immigration system.

National President Darryl Morin issued the following statement:

“We thank President Biden for his comments this evening. His remarks underscore his commitment to defending our freedoms. The freedom to love, the freedom to worship, the freedom to vote and much more, regardless of one’s race, ethnicity, religion, gender or orientation. These are freedoms that can only exist in the light of a functioning democracy, where the voice of the people supersedes the will or want of any single individual’s ambitions.

We thank President Biden for his continued focus on creating opportunities for hardworking Americans to move into the middle-class. His bipartisan approach to governing has led to historic job growth, new business creation and infrastructure investment while combating climate change, reducing student debt, capping prescription drug costs for seniors and fulfilling our nation’s most sacred commitment to caring for our Veterans in need.

Lastly, we thank President Biden for calling on Congress to send him a bill that would create an earned legal pathway for DREAMers to become United States Citizens.”
