Steffen announces re-election candidacy

State Representative seeking sixth term to Assembly's 4th District

Howard, WI – Upon declaring his re-election candidacy for the 4th Assembly District in the State Assembly, State Representative David Steffen (R – Howard) released the following statement:

“Delivering results for the residents of the 4th Assembly District has been the greatest honor of my professional life. There is still work to be done to lower taxes, limit government, and protect our freedom. I hope to earn the support and vote of the 4th Assembly District residents again to continue fighting for their views and values in Madison.”

The Wisconsin 4th Assembly District boundary lines were modified in February, and will include the northern Brown County communities of Howard and Suamico along with most of Oconto County.
