

**PRESS RELEASE 3-13-24 REGARDING
THEFT OF IDENTITY IN THE RECALL ELECTION**

After yesterday's filing of signatures in the Recall Vos efforts, the Racine County District Attorney's Office has had numerous calls to report theft of identifying information from electors whose names appear on the recall petitions, but did not sign a petition personally.

Victims of potential Identity Theft should contact the Racine County District Attorney's Office at 262-636-3172 or RCDA@da.wi.gov to register a complaint. Be sure to include your full name, address, phone number, and which page number (bottom right corner) of the recall petitions you are referring to.

The handwritten copies of the actual petitions submitted to the Wisconsin Elections Commission can be found at <https://badgervoters.wi.gov>. Click Create a New Request and complete the required form. The data will be sent to you electronically and is free.
