

FOR IMMEDIATE RELEASE

**Racine Recall Committee to Submit Signatures to Force Recall  
Election of Robin Vos**

**Union Grove, WI - May 27, 2024** -The Racine Recall Committee is pleased to announce that we will submit petition signatures for the recall of Robin Vos to the Wisconsin Election Commission between 2:30-3:00 pm in Madison on Tuesday May 28th at the WEC office.

The Racine Recall Committee will turn over more than 8,000 signatures that were collected primarily door-to-door in Wisconsin Assembly District 63, which, according to the Wisconsin Assembly website, is represented by Robin Vos. According to the Wisconsin Constitution, the people of the district have the right to recall their incumbent and hold him accountable. That's what the people of the 63rd have done with their signatures.

A Racine Recall representative stated, "Even though Vos may have broken election laws by claiming another entity paid for his mailers and may have abused the US Postal Service by using another entity's non-profit status to spread lies and dangerous rhetoric, the residents of Racine County saw through the communist Chinese-style propaganda and declared that their voices will not be silenced."

Former Wisconsin Supreme Court Justice Michael Gableman will speak on behalf of the Racine Recall Committee. He will be joined by many of the people who circulated the petitions.
