TEAMSTERS JOINT COUNCIL 39 ENDORSES HARRIS – WALZ FOR PRESIDENTIAL TICKET

MILWAUKEE, Wis. – The Teamsters Joint Council 39 Executive Board has unanimously endorsed Kamala Harris for President and Tim Walz for Vice President of the United States.

“As Vice President of the most pro-union administration ever, Kamala Harris worked with the Teamsters and other union workers to pass the historic Butch Lewis Act which has saved the pensions of over a million retirees to date.” Said Bill Carroll, President of Teamsters Joint Council 39, “As President, Kamala Harris will build on those efforts and work with Congress to pass the PRO Act, ending union some of the most egregious union busting tactics once and for all. In contrast, Donald Trump tried to gut workers’ rights as President by appointing union busters to the NLRB and advocating for national right-to-work. Trump’s project 2025 would go even further, attacking the ability for unions to even have the ability to organize. This November we will work with millions of union workers across the country to defeat Donald Trump once again, and send Vice President Harris and Governor Walz to the White House. We are proud to endorse Harris-Walz for President and Vice President”

Teamsters Joint Council 39 has three Local Union affiliates, and represents roughly 15,000 workers at three locals across the State of Wisconsin.
