Reproductive Healthcare Topic for October 7 League of Women Voters Webinar

APPLETON-FOX CITIES — Navigating reproductive and abortion care in Wisconsin since the 2022 Dobbs decision has hinged around an 1849 law, full abortion prohibition, and court rulings. On Monday, October 7, the League of Women Voters of Appleton-Fox Cities will host a panel presentation webinar to assess the current status of the issue.

The virtual webinar, "Reproductive Healthcare in Wisconsin," will take place from 6:30 - 8:00 p.m. on Zoom. Featured speakers will include:

- Dr. Kathy King, Chief Medical Officer for Planned Parenthood of Wisconsin (PPWI)
- Michelle Velasquez, Chief Strategist for PPWI
- Dr. Anna Igler, a local OB-GYN physician

Moderating the discussion will be LWV of Wisconsin President Dorothy Skye, a retired OB-GYN physician. The panelists will participate in an informed, unscripted and compelling discussion of this important issue. Time will be allowed at the end for audience questions.

The program is open to the public at no charge. Registration on the League's website, lwvappletonfoxcities.org, is required to receive the Zoom link.
