**Washington County Municipalities Offer 300+ In-person Absentee Voting Hours**  
**Early Voting Begins Today**

West Bend, WI – Washington County municipal clerks all offered extended in-person absentee voting time, adding more than 300 additional hours for voters' convenience. For a complete list of hours in every Washington County municipality, visit [https://www.washcowisco.gov/departments/county\\_clerk](https://www.washcowisco.gov/departments/county_clerk).

As a result of the county's Election Integrity Package, enhanced in-person absentee hours will allow our communities to provide extended voting hours typically only available to larger cities.

If you have questions about the election process, the Wisconsin Elections Commission launched a new statewide awareness campaign promoting the state's official website, [MyVote.wi.gov](https://MyVote.wi.gov), to make sure voters have access to accurate and reliable election information.

[MyVote.wi.gov](https://MyVote.wi.gov) is a great resource for voters to find their polling place, see their sample ballot, make sure their registration is up-to-date, register to vote online, search their voter history, and request and track an absentee ballot.
