

CLINTON STATE REPRESENTATIVE

ANDERSON

November 8th, 2024

Dear Colleagues,

I am writing to you today with a deep sense of gratitude and optimism for what lies ahead. As I approach the beginning of my second term in the Assembly, I'm energized by the opportunity to continue working alongside such a dedicated and passionate group of individuals. Your hard work, commitment, and resilience have already made a real difference in Wisconsin, and together we've set the stage for a new era of progress and possibility.

This is a critical moment for our caucus and for the people of Wisconsin. For the first time in over a decade, we have a legislature that more closely reflects the will of the people, thanks to the fair maps we fought so hard to achieve. This is no small victory. But with this new opportunity comes new responsibility—and now more than ever, we need leadership that is ready to meet the challenges of this moment head-on. **I am humbly asking for your support for Assembly Democratic Caucus Vice-Chair.**

I want to share with you my vision for how we can build on our recent successes, strengthen our caucus, and make tangible progress for all the people of Wisconsin. While I have never run for this position before, I come to you with experience that I believe will make me an effective and supportive member of our leadership team. Over the past term, I have had the privilege of serving alongside many of you, building strong relationships, and working hard to ensure that we succeeded in both the big and small battles we've faced. I've seen firsthand the challenges we face, but I've also seen the incredible potential we have when we work together.

I'm proud of what we've already accomplished. Together, we've fought to protect Governor Evers' veto, advocated for our constituents, and made critical strides in expanding Democratic representation across the state. With the success of our new fair maps and the momentum from our recent election victories, we are poised to continue pushing for policies that make a real difference in people's lives.

If I'm elected to serve as Caucus Vice-Chair, I'll bring energy, experience, and a strong commitment to supporting each of you. Whether it's through campaign efforts that helped secure additional seats, providing mentorship to new members, or collaborating with you all to navigate some of the most complex political challenges, I will always keep our shared values and goals front and center.

I want to help ensure that every member of this caucus feels supported, heard, and empowered to do their best work. We have an exciting opportunity to push forward an ambitious policy agenda that will improve the lives of Wisconsinites. But we must also remain vigilant, as the political landscape will undoubtedly continue to test us.

This caucus is full of incredible people, and together, we can accomplish great things. I ask for your trust and your vote to serve as Assembly Democratic Caucus Vice-Chair, so that we can continue to lead, fight for progress, and deliver on the promises we've made to the people we represent.

Thank you for your consideration. I look forward to the work ahead.

In solidarity,

A handwritten signature in black ink, appearing to read "Clinton Anderson". The signature is written in a cursive, flowing style.

Clinton Anderson

State Representative

45th Assembly District
