

November 8, 2024

Dear colleagues,

It has been an honor to serve as your Caucus Chair, and before that as your Vice-Chair, during the last two legislative sessions. During my ten years in the legislature, our caucus has made significant progress even in the face of great challenges. I am proud of the work we have done together to preserve our democracy and protect our freedoms, and I consider myself lucky to be part of such an incredible team.

Last session, we worked together to ensure our vision for Wisconsin was represented and to serve as the last line of defense against the most extreme legislation becoming law. With the slimmest of margins, we collectively committed ourselves to upholding the Governor's veto and succeeded in our mission to put the people of Wisconsin first. It was not always easy, and I recognize and appreciate the sacrifices each of our members made to ensure our success.

As we begin the next legislative session, we will face new challenges and find new opportunities to improve the quality of life in Wisconsin for all of our constituents. With fair maps and through all of our hard work, we return with ten new seats and even more new members. Each of us brings our own unique set of experiences, hopes, and talents to our caucus and the legislature. I look forward to welcoming our new members and learning from each other. I am also excited to work together with our entire caucus over the next two years to share and implement our collective vision for our state.

I have contributed positively to our caucus and our leadership team. We have a strong foundation on which to build, and I look forward to working together to develop our agenda, our message, and our strategy. I will continue to foster a team environment to meet the challenges we face and advance a collective agenda and progressive vision for our future. We have been and must remain a strong and unified caucus to move Wisconsin forward.

If reelected to serve as your Caucus Chair for the next two years, I will prioritize fostering our team and engaging all of our members. My office will continue to build on the new member training program we implemented last session to grow knowledge and talent within the caucus. I will draw from my years of experience in the legislature and on our leadership team to maximize our effectiveness as I run our caucus meetings, develop and implement floor strategy, provide assistance to members and staff, and advance our collective agenda.

REPRESENTATIVE  
**Lisa Subeck**

Most importantly, we will work together with the Governor and our Senate colleagues to hold the line against Republican attacks on our freedoms and to foster safe and strong communities where every Wisconsinite has access to affordable health care, great public schools, clean air and water, and economic security. Together, we will protect our democracy and the fundamental rights of all of our Wisconsin residents.

I humbly ask for your support and your vote to continue serving as your Chair of our Democratic Caucus.

Thank you,

Lisa Subeck  
Assembly Minority Caucus Chair  
Representative, 78th Assembly District
