FORWARD LATINO CONDEMNS VOTER INTIMIDATION LETTERS AND CALLS FOR THOROUGH INVESTIGATION!

Franklin, WI – Forward Latino, a national non-profit, non-partisan service and advocacy organization headquartered in Franklin, Wisconsin and with affiliates and members in twenty-nine states condemns the threatening letter being mailed to individuals displaying yard signs supporting Democratic candidates on their property.

National President Darryl Morin issued the following statement:

“Forward Latino believes in the democratic principles enshrined in the U.S. Constitution and strongly condemns all forms of voter intimidation, threats and efforts to discourage or block eligible individuals from voting. As such, Forward Latino condemns threatening letters that are being mailed to individuals displaying yard signs of democratic candidates. The letters state multiple times the phrases “when you die” and “held accountable.” There is no return address on the envelope or mention of the person or organization responsible for the letter. Copies are being shared with the appropriate authorities.

We encourage all eligible voters who feel intimidated or threatened, or who are being discouraged or blocked from voting to contact us on our voter protection hotline at (833)LAT-INO1 and we will provide immediate assistance.”

From Fellow Concerned Citizens

We see that you have Democrat signs on your property.

Are you not aware that when you die that you will be held accountable before almighty God for voting for random unnecessary murdering of babies. (exception for rape, incest, and life of the mother). The bible says that God warns of not messing with and killing of his babies.

Also are you not aware that when you die that you will be held accountable before almighty God for voting for an open border that allows millions of illegal immigrants to freely enter, many of which are felons and evil people that have been doing deadly harm and will continue to do so.

Also are you not aware that when you die that you will be held accountable before almighty God for voting for communism to take over America.

We don't want anyone going to horrible hell, but you are on a fast path to it.

PLEASE heed this and remove your signs and vote biblical values.
