## **Wisconsin Waterfowl Association Welcomes Appointment of Dr. Karen Hyun as Secretary of Wisconsin DNR**

The Wisconsin Waterfowl Association (WWA) welcomes Governor Evers' announcement of the appointment of Dr. Karen Hyun as Secretary of the Department of Natural Resources.

"Dr Hyun's history of commitment to science-based management of wildlife resources and broad executive leadership carries credibility that will serve Wisconsin well," said Bruce Ross, WWA Executive Director. "We look forward to meeting with Dr. Hyun as she settles in to continue our collaborative work on common issues in the months ahead."

Governor Evers' press release on Dr. Hyun's appointment can be found [here](#).

*The Wisconsin Waterfowl Association is a state-based non-profit conservation organization dedicated to the conservation of Wisconsin's waterfowl and wetland resources. Since 1984, WWA has worked to restore critical habitat in Wisconsin, encourage waterfowler progression from hunter to passionate conservationist, and advocate for policies that protect Wisconsin's resources and the rights of citizens to hunt.*
