###

WISDOM is a statewide network, composed mainly of faith-based organizations. WISDOM began with Milwaukee Inner-City Congregations Allied for Hope, founded in 1988. It has grown to 13 affiliate organizations across the state of Wisconsin. We work on campaigns fighting for immigrant rights, correct the narrative around formerly incarcerated individuals, and much more. Our priorities have expanded to include multi-issue work from a faith-based lens as we fight for racial, social and economic justice for all. WISDOM is a proud member of the national Gamaliel Network.
