BLOC Announces Endorsement of Judge Chris Taylor for Wisconsin Supreme Court

Milwaukee, Wisconsin — March — Black Leaders Organizing for Communities (BLOC) has endorsed Judge Chris Taylor for the Wisconsin Supreme Court. In October, Judge Taylor participated in a Silent Canvass, where she shadowed our team. This allowed the team to get to know her informally, and they immediately connected with her authenticity.

A group of Endorsement Committee Ambassadors took the time to research and interview Judge Taylor, and the committee voted enthusiastically and unanimously to endorse her for the Wisconsin Supreme Court.

“It’s my pleasure to support a candidate who truly reflects our values and our highest ideals,” said Endorsement Committee Ambassador Alihya Johnson.

At a time when our voting rights and basic civil rights are under attack in this country, our team stressed the importance of endorsing a candidate who will stand up for all Wisconsinites.

“It is clear that she is for the people, and she understands the people of Wisconsin through all of her experience,” said Endorsement Committee Ambassador Benjamin Bell.

We know that Judge Chris Taylor is the right candidate for Wisconsin.

BLOC is a non-profit advocacy organization that empowers Black leaders with the tools, training, and resources needed to organize and guarantee that their issues, concerns, and values are represented at all levels of government.
