### **Senator Hutton announces he will not run for another term**

MADISON, Wis. — Senator Rob Hutton announced today he will not seek another 4-year term in the Wisconsin State Senate representing the 5th Senate District. He issued the following statement:

“After much prayer and consideration, Patti and I have made the difficult decision not to seek another term in the Wisconsin State Senate. While this decision was very difficult, increasing personal and professional obligations have made it clear that stepping aside is the right decision at this time.

“Born and raised in Southeastern Wisconsin, I have been honored to serve as a citizen legislator for 19 years at both the County and State level. I am deeply grateful to my team, who provided the support and talent necessary as we pushed hard for conservative principles and policies for the benefit of Wisconsin citizens and businesses.

“Thank you to all our constituents for the prayers, trust, and steadfast support you have extended not only to me, but to my family as well. Together, with your ideas, we made a genuine impact on our community and this great state.

“I look forward to continuing to work hard in this final year and beyond to push for more needed reforms that streamline government, address affordability for families, support law enforcement, and increase access to quality education, healthcare, and economic opportunity for all Wisconsinites.”

— With gratitude, Senator Rob & Patti Hutton
