Total General Fund tax collections are reported in the Department of Administration's Report of Monthly General Fund Financial Information, which includes GPR and program revenue taxes collected by all state agencies.

### Notes:

1. In both fiscal year FY25 and FY26, the adjusted lines for the month of December exclude withholding that was received on the first working days of December, rather than the last day of November, which was a weekend. The adjusted lines for the Collections-to-Date include withholding that was received during the first two working days of January for both fiscal years, since the month ended on a holiday.

2. Individual Income includes 50.2% of pass-thru withholding. Corporate Income includes the remaining 49.8%.
3. The Other category includes estate, utility, vapor registration fees, and real estate transfer tax collections.
4. Total does not include insurance premium taxes.
5. This report is generated from the STAR Accounting System. Timing differences may cause the amounts in this report to differ from reports produced by the Department of Administration. All data is preliminary and unaudited.
