Feb. 19, 2026

### **WASB Statement on Speaker Vos' Retirement**

MADISON – The Wisconsin Association of School Boards offers its sincere recognition of Assembly Speaker Robin Vos, the longest-serving Assembly speaker in Wisconsin history, upon the announcement of his retirement from public office. We extend our gratitude for his many years of dedicated service to the State of Wisconsin.

While WASB and Speaker Vos were not always aligned on education policy, we have always valued his willingness to engage with us directly. He made time to attend WASB events, opened his door to our staff, and most importantly, was accessible to the school board members we represent across the state. That kind of engagement matters, and we did not take it for granted.

We wish him well in his next chapter.
