Rep. Dittrich Announces Re-Election Bid for Wisconsin's 99th Assembly District

Oconomowoc — Representative Barbara Dittrich (*R-Oconomowoc*) made the following announcement Tuesday, April 14, 2026, regarding the November election.

“It has been my great honor to represent the good people of this area in Madison for the past eight years. This past term has been my most productive for constituents, resulting in six bills becoming law. I was also thrilled to be able to expand funding for recovery high schools across the state in our most recent biennial budget. Additionally, I was able to get much-needed funding for special needs dentistry provided in that same budget,” stated Rep. Dittrich. She continued, “The bills I authored that were signed into law this session addressed everything from roadside drug testing, to video monitoring in youth residential care centers, to Chapter 51 mental health medication refusals, to DOJ subpoena power for electronic communications involved in cases of sextortion of a minor. I am proud to have successfully worked across the aisle and diligently collaborated with others to advance the safety and well-being of Wisconsinites across the entire state.”

“For this reason, I have made the decision to continue this momentum into the next election cycle in the hopes of doing more critical work for the benefit of those I serve. I have always sought to be an effective and responsive elected official. The voters deserve a knowledgeable professional representing them at the Capitol and not just a self-serving placeholder. I am confident that they will once again find me to be that public servant in the November election.”
