Sen. Cory Tomczyk Announces Run for Reelection to State Senate

Mosinee, Wisc... Sen. Cory Tomczyk (R-Mosinee) released the following statement announcing his run for reelection to the 29th District in the Wisconsin State Senate:

"This past three and a half years has gone by extremely fast. Two responsible state budgets, dozens of constituent cases, countless meetings, 26 bills signed into law, and a LOT of bills vetoed by the Governor. My time in the State Senate has been a whirlwind - a crash course in state government. It hasn't always been easy or fun, but it has never been boring.

*"Even with two successful sessions under my belt, there are still issues that I believe I can have a positive influence on for the people of our state. **That is why today, I am officially announcing my run for reelection to the 29th Senate District – where I was born, raised, and choose to continue to call home – our beautiful Central Wisconsin.***

"This Fall, I truly believe that with a lot of hard work, the State Senate and State Assembly will maintain their majorities and with Tom Tiffany in the Governor's office, Wisconsin will be in better shape than ever. Governor Evers' administration has taken a toll on our state, but with the right leadership in place going into 2027, we can ensure that Wisconsin does not become the next Minnesota or Illinois.

"I am humbled by the support I have received from the good people of Marathon, Wood, Portage, Waupaca, and Shawano Counties and look forward to earning their support once again to continue to represent them for another four years."
