Patrick Snyder Seeking Re-election to State Assembly

Weston... Today, Representative Patrick Snyder (R-Weston) announced he was seeking re-election as State Representative for the 85th Assembly District. Pat said:

“Throughout my time in the legislature, I have always fought for bipartisan solutions to our biggest problems – because I know that people care most about solving the problems facing our state, not partisan politics. That is why this session I was proud to author laws on postpartum health coverage for new mothers, creating new sextortion laws, protecting seniors from crypto kiosks and many other issues.”

Patrick Snyder has served as State Representative in the 85th District since 2016. Since 2018 he has served as the Chairman of the Assembly Committee on Children and Families. This past session he served on the following committees; Campaigns and Elections, Education, Health Aging and Long-Term Care, Mental Health and Substance Abuse, Veterans and Military Affairs, and Workforce Development Labor and Integrated Employment and as the Chairman of the Speaker’s Task Force on Elder Services.

Pat concluded:

“I look forward to continuing to prove myself to all of you in the lead up to the November election. I will continue fighting to put our community and values above political bickering and look forward to delivering more results for Wisconsin next legislative session.”
