Rep. Rick Gundrum will not seek re-election to the 58th Assembly District

Madison, WI – Wisconsin State Representative Rick Gundrum announced that he will not seek re-election to a fifth term in the Wisconsin State Assembly.

“After much thought and prayer, I have decided it is time to begin a new chapter in my life. I have served for 20 years in local, county, and state government and look forward to devoting more time to family, friends, travel, and other projects.”

“My conservative values and Catholic convictions guided me during my tenure in elected office. I worked to protect the Second Amendment, parental rights, school choice, our elderly, the preborn, and the vulnerable in our society. During my time in office, I supported legislation that improved our economy and fostered smaller government.”

“Thank you to the voters for putting your trust in me with this amazing responsibility. I will be forever grateful.”

Rep. Rick Gundrum (R-Slinger) represents the 58th Assembly District. The 58th Assembly District includes the City of West Bend, Village of Jackson, Village of Newburg, Village of Slinger, Town of Jackson, Town of Polk, Town of Trenton, and the Town of West Bend.
