Latiné Supervisors Honor the Life and Legacy of Dolores Huerta

MILWAUKEE – Today, the Milwaukee County Board of Supervisors' Latiné Caucus, Milwaukee County Board Chairwoman Marcelia Nicholson-Bovell, Supervisor Caroline Gómez-Tom and Supervisor Juan Miguel Martinez issued the following joint statement honoring Dolores Huerta, the pioneering labor and civil rights leader who died at age 96.

"Dolores Huerta dedicated her life to organizing with working people and fighting for dignity, fairness, and a voice for those too often overlooked. As Latiné leaders, we recognize her profound impact on farmworkers, women, and generations of advocates who continue to work toward a more just society. Her rallying cry, '¡Sí, se puede!' remains a powerful reminder that change is possible when communities come together. We all honor her legacy by continuing the work of building a future where every person is treated with dignity and has the opportunity to thrive.

"We extend our condolences to her family, loved ones and all those whose lives she touched."
