State Senator Rachael Cabral-Guevara Wins Re-Election

Fox Crossing, WI – Tonight, State Senator Rachael Cabral-Guevara (R-Fox Crossing) was re-elected to represent Wisconsin's 19th Senate District. She released the following statement:

"I want to sincerely thank all of the folks who knocked on doors, made phone calls, put up signs, and encouraged their neighbors to get out and vote," said Sen. Cabral-Guevara. "The next legislative session starts in January, but we've already started the work on proposals to keep more money in your pocket, make the healthcare system work better for you, and get the government out of your way."

The 19th Senate District also contains Assembly districts 55, 56, and 57. Of those Assembly districts, one incumbent was re-elected, and two new legislators will take their seats in January.

"I also want to congratulate Representative Gustafson on his re-election, and the two new Representatives-elect: Tony Phillips and Kevin Krentz," added Sen. Cabral-Guevara. "I look forward to being a unified team to fight for the folks we represent. Also, thank you to outgoing Representatives Murphy and Petersen for their many years of service to our communities."

"I want everyone to know I would like to hear from you - whether you voted for me or not - and I will proudly continue to be your voice down at the State Capitol. Reach out, share your concerns, and let's get to work on solutions."
