Tollefson Declares Victory in Assembly District 88

DE PERE, Wis. — Brandy Tollefson will represent the 88th Assembly District in the Wisconsin State Legislature following the release of final results. Tollefson has released the following statement:

“I am sincerely grateful to the voters of our community for the trust they have placed in me. To all of our volunteers, my friends and family: thank you, *truly*. When we launched this campaign in January, we had a vision of building a better future here in Brown County, where our schools are fully funded, healthcare is within reach, and families can afford to live and thrive. I look forward to the task of making that vision a reality as your next state representative.”

“This past year, I listened to thousands of our neighbors and learned firsthand the leadership they expect in Madison. I will work every day to be the leader we deserve.”
