De Pere, WI – Congressman Tony Wied released the following statement after winning re-election to represent WI-08 in Congress.

“Tonight, voters across Wisconsin’s 8th District sent a clear message: they believe in good old-fashioned Wisconsin common sense. I am grateful for the support shown to our campaign and for the opportunity to return to Washington for a second term.

Serving Northeast Wisconsin in Congress has been the honor of a lifetime, and I am proud of what we have accomplished during my first term. From securing $12.4 million for community projects across our district and delivering historic tax cuts for working families to securing our border and making our communities safer, we have made meaningful progress. I look forward to building on these accomplishments and continuing to fight for Northeast Wisconsinites in Washington.”
